A photograph of a child's playroom with a vaulted ceiling. The room features two arched windows with white frames, looking out onto a blue tiled roof and greenery. A grey radiator is positioned against the wall to the left of the windows. In the center, a small white table with a striped cloth sits on a dark grey patterned rug, surrounded by four circular white mats. To the right, there is a large pink dollhouse with multiple levels and a staircase. A floral patterned storage bin is next to it. Various toys, including dolls and a small house, are visible on the windowsill. A small framed picture hangs on the wall to the right of the windows.
